

# **Nail Technician**

## **Why Salon PHD?**

We are a privately owned salon who value the importance of relationships. We strive for a welcoming and professional environment for not only our customers, but for our staff as well. As a team-oriented salon, we focus on providing the tools and training needed for our staff to continually grow individually and as a whole. Steady pay plus commission salary packages are offered, along with the opportunity for a flexible schedule. With a built-in clientele, you will be able to do what you love doing most immediately!

## **Responsibilities:**

- Listen and communicate effectively with salon customers
- Deliver manicure/pedicure that meets guest's needs
- Ensure that customer's expectations are met and if not, make corrections
- Continue education on latest trends and techniques
- Provide gel, nail dipping, acrylic manicures and pedicures

## **Requirements:**

- Must have valid Ohio Cosmetology License
- Experience in manicures and pedicures
- Knowledge of nail dipping technique is a plus
- Flexible availability is needed, including, but not limited to, weekends and evenings
- Self-motivated and enthusiastic towards the customer experience
- Professional in appearance and attitude
- Additional cosmetic experience is a plus (make-up, facials, waxing, etc.)
